“ I will always remember family trips to Florida and Grandma Cline & Aunt Pat running around with us to the theme parks like troopers!! We had a ball and Aunt Pat always had a smile on her face and always was so much fun! We always had a good time laughing and telling stories.....I loved her and even though I haven't seen her in a few years I will miss her dearly. Thinking of all the family at this hard time.....know that no matter how far away she is remembered dearly this day.
